Dear Fish and Wildlife Contractor:

On July 24, 2003, Bonneville Power Administration (BPA) published on its web site a draft Policy Manual for its Fish and Wildlife Program. We asked that comments be submitted by August 30. Your feedback is extremely important to us and we want to ensure you have adequate opportunity to comment. For that reason, **we have decided to extend the comment period through September 12, 2003, to allow more time for you to comment.**

The draft Policy Manual is available at

http://www.efw.bpa.gov/cgi-bin/FW/Info_For_Fish_Wildlife_Contractors.cgi.

Comments and questions should be sent to:

We are committed to timely and consistent contract implementation by COTR's and CO's. The draft Policy Manual is an important step in that direction. We look forward to your comments, and to working with you to improve the administration of the Fish and Wildlife Program.

Sincerely,
